

Dear _____:

Hello! My name is _____. Currently, I am working with the Ronald McDonald House-Upper Midwest with their Lemon-Aid Stand Project. The Lemon-Aid Project is a great way for youth and families to support Ronald McDonald House Charities- Upper Midwest. Each cup of Lemon-Aid will help Ronald McDonald House keep families together and strong during a health care crisis, and it will be fun too!

The Ronald McDonald House relies on the generosity of individuals like you to support the hundreds of families who stay with the Ronald McDonald House each year. With your support they are able to provide lodging and resources to 48 families each night while they face a serious pediatric illness or disease, with no family turned away due to the inability to pay.

At this time, I would like to invite you to participate in my Lemon-Aid stand to be held _____. I am currently in need of some supplies to make my stand a success and would welcome the donation of a **lemon-aid stand supply item** from you.

Your support is appreciated and truly makes a difference in the lives of families who call our House a home. We hope you will support the Lemon-Aid Stand Project!

Thank You,

Ps. Your donation will make a difference, and help families from across the country, 365 days a year, with the average length of stay ranging from 53 to 129 days!
